Sierra Pacific FlyFishers – Silent and Live Auction Rules

YOUR BID Helps Support SPFF's CONSERVATION & EDUCATION Projects

General Information

These rules apply to both the Silent and Live Auctions. Pick up your "Auction Bidder Number" when you check in, you will need it for both Auctions. Telephone bids may be made with Steve Esgate at (818) 723-5122.

Terms of Sale

General auction rules will prevail. ~ *All items are sold "as is."* ~ *All sales are final.* ~ Many prices or values are rounded to the nearest dollar, and include sales tax when applicable.

Lodges, B&Bs, Outfitters & Guides

Unless otherwise specified in the item's description, trips to lodges or bed & breakfast inns, or with outfitters or guides are on a "2-for-1" basis. One guest is "free" when you pay the published price to the lodge, B&B, outfitter or guide. This means that either (a) two anglers go for the price of one, or (b) you pay for one day and get a second day free. The description of each item specifies which way it works for that item, and the current published price. Your total cost will be that price, plus the amount of your bid. The successful bidder will receive a certificate, which generally must be used within one year. Unless otherwise noted, out-of-state fishing licenses, gratuities, and transportation to and from the destination are not included.

Payment Procedure

- All Silent Auction and Live Auction bids must be paid the day of the event, or that bid is void and the next lower bidder will be the winner. Auction items that are "Special Order" will include instructions for payment.
- Payment may be made by cash, check payable to SPFF FOUNDATION, or Credit/Debit Card.

Silent Auction

- The Silent Auction will begin at 5:30 pm.
- Most Silent Auction items are listed in the catalog. There may be some "last-minute" items that are not listed, so look carefully!
- Each item has a minimum price and a minimum bid increase. Bids for less than the minimum price, or increases for less than the minimum increase, are void.
- Please clearly print your Bidder Number on the bid sheets. Illegibly written bids (Bidder Number and/or bid amount) will be disregarded.
- After the Auctioneer announces a Section is closed, any bid entered in that Section is void.
- Please do *NOT* block others from access to bid card(s) you are interested in. If a complaint of blocking is made to the Auctioneer, he or she may extend the closing for such item(s) until all interested bidders are finished, or move such item(s) to the Live Auction, starting the Live Auction with the amount of the last legal Silent Auction bid on behalf of that bidder.
- There are three "Sections" of items in the Silent Auction: "**Blue**", "**Yellow**" and "**White**".
- The Auctioneer will give approximate 10 minute and 5 minute warnings, then announce the close of the "**Blue**" Section at 6:20, the "**Yellow**" Section at 6:40, and the "**White**" Section at 7:00.
- When the Auctioneer announces the close of a section, bids made thereafter for items in that section are void.
- Silent Auction bid amounts are *NOT* refundable. If you do not order your "SPECIAL ORDER" item by the date specified in the item's description, your bid amount will be forfeited as a donation to the club.

Live Auction

- The Live Auction will begin when dinner is over, approximately 8:00 p.m.

After the Auctions

- To save time, please write your check to "SPFF Foundation" in advance. Check the "Auction Winners" Board to determine if you've won something. It will be updated periodically. The successful bidders will be called up in groups, and asked to go to the "Pay Here" table.
- Bidder groups will be called up in numerical order, so come early and get a low bidder number. Then, to claim your items, take your "PAID" bid cards to the "Pick Up Auction Items" table. All Silent Auction "Special Order" items must be ordered and paid in full by **December 31, 2015**, unless otherwise noted in the item description.

Travel, Lodging & Guides

- S77 Pat Jaeger, Eastern Sierra Guide Service. Winter drift boat trip at half-price. A unique way to get away from weekend crowds and explore new, trout infested water is to go by boat. Since most of the Lower Owens River below the Wild Trout Area is not accessible by foot, drifting is the best way to get around. "My 15-foot Hyde drift boat will accommodate two anglers in style. I chose this boat for its state-of-the-art profile, excellent draft in shallow water, and hull construction that keeps it warm in winter, cool in summer and quiet always. It is the finest drift boat in the Owens Valley. During our drift trips, I teach and refine techniques such as nymph fishing with and without indicators, using streamers with sinking lines, and long and short-line trout hunting with dry flies. Drift-boat fishing can accommodate anglers of all kinds. It's perfect for the beginner or advanced, the wader or non-wader, and the young to young-at-heart." Drift trip includes: flies, complete wading gear, rod/reel, terminal tackle, lunch and beverages. FULL DAY: one or two anglers, usually \$425, yours for \$212.50 plus your bid. Minimum bid: \$ 75
