It is a weekend of FISHING up in Bishop with help from your instructors. You'll be out on the Owens River trying to catch trout, then enjoy our group dinner on Saturday night when we'll present your diplomas and listen to you lie about the number and size of all the fish you caught!

Classes 1, 2 and 3 run from 9:00 am till 12:30 pm. The cost is \$40 for adults and free for kids under 18. It includes all instruction, classroom materials and your handbook. We provide loaner rods and reels at no cost. Students attending the graduation in Bishop are responsible for their own travel, meals and lodging expenses.
